PATTERER TECHNICAL PARTS CO., LTD.

REPORT ON PROGRESS IN APPLYING THE PRINCIPLES OF THE GLOBAL COMPACT

Since the establishment of our Company in 2006 in Thailand, we have proceeded with the arrangement of ISO-Quality System application and have received the certification of ISO 9000:2008 / TS 18949 in 2009.

We support the 10 principles of the Global Compact and have become a member in December 2009. We apply these principles in our business areas in order to enhance the standards in human and workers' rights, environmental protection and fight against the corruption.

The followings provide the measures and management system that we use to apply the 10 principles of the Global Compact. We aim at expanding our business areas and research in the area of products that protect the environment and conserve resources as well as at extending our compliance system.

Principle 1: "Businesses should support and respect the protection of internationally proclaimed human rights" Please see following links:

1.1 Basic Principles of Social Responsibility
