Lufthansa Group

Frankfurt, July 11th, 2014

To our Stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a communication on progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in sharing and posting our COP due to a number of reorganizations within our Group that involved changes of people in charge for our sustainability communication. Our sustainability report "Balance" is in the process to be translated into English and will be posted by the end of July 2014.

We hereby ask for an extension in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Sincerely yours,

Monika Ruehl
Director Social Responsibility
