Dear Mr. Secretary-General:

I am pleased to confirm that TE Connectivity Ltd. ("TE") reaffirms its support of the Ten Principles of the United National Global Compact in the areas of human rights, labor, environment and anti-corruption.

The attached annual "Communications on Progress" describes TE's actions to continuously improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations.

We also are committed to sharing this information with our stakeholders using our primary methods of communication.

Best regards,

Terrence R. Curtin
