Grace Letter

Regarding COP

Datum: 19.07.17

Dear Ladies and Gentlemen,
Dear Stakeholders,

we recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the fact of several developments in our organization. 1st the management of the economic growth, 2nd the organizational adaption and 3rd the construction of knowledge regarding the COP.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 19th of Oct. 2017 at the latest.

Sincerely yours,

Oliver Dreber/ CEO Hara Do UG
