December, 2010

To UN Global Compact

We are hereby applying for an extension of our COP due date from January 10, 2011 to February 25, 2011.

GN Store Nord will be publishing its Annual Report 2010 on February 25, 2011. In the Annual Report 2010 there will be a section describing GN Store Nord's CSR activities for 2010.

In order to ensure a uniform and concurrent CSR communication about our CSR activities, we therefore request for an extension, so we can submit our COP on the same date as our Annual Report 2010.

Best regards
