Subject: Request for Grace Period

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) including a statement from our CEO confirming the continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Imerys has prepared our Group Communication on Progress. Our COP, which includes the details on implemented practical actions and measurement of outcomes, is based on the 2017 Group Registration Document, which will be finalized, approved and published in coming days.

We hereby ask for an extension period in order to be able to post our COP once our Registration document is rendered public, and thus share Imerys' efforts and progress to implement the principles of the UN Global Compact.

Our COP report will be posted on the UN Global Compact website by March 26th 2018 at the latest.

Sincerely yours,

Leah Wilson
