To our stakeholders:

COP: Humble request for Deadline Adjustment

We recognize that a key requirement for participation in the UN Global Compact is the bi-annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We want to align our internal reporting cycle with the COP deadline. We hereby request our COP deadline to be adjusted to 28th of May two months from COP deadline. This enables us provide, among others, report on activities conducted in celebration of the annual April 18 – 24 Asia- Africa Conference and the May 25th Africa Day Celebration.

The designated staff who would have made this request much earlier before now was incapacitated and we have just realised the request had not been sent as directed.

Kindly accept our apology for this unanticipated delay in our request.

Sincerely yours,

Abdul 'Dewale Mohammed
