Dear Mr. Secretary-General,

PLEDGE OF COMMITMENT TO UN GLOBAL COMPACT PRINCIPLES

I am pleased to confirm you that CSR-in-Action (Corporate Social Responsibility Advancement and Awareness Initiative), RC No: 41646, supports the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption.

With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public through our activities as the premier online platform for business and individual networking on sustainable social responsibility and development in Nigeria.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in our local secretariat headed by the Nigerian Economic Summit Group (NESG) – in which we are currently heavily involved in the policy committee; involvement in specialized initiatives and workstreams; engagement in partnership projects – which is the focal point of our website, www.csr-in-action.org; and reviewing and providing commentary to participating companies on their Communications on Progress through roundtable and dialogue events and our newsletter.

Thank you for your kind consideration, Sir.

Sincerely yours,

Ms Bekeme Masade
