Dear Sir/Madam,

UNGC Grace Letter

Please accept our request for an extension of the deadline to submit our COP. This year we hope to produce a more rigorous COP by adhering to the GRI standard. The report is now entering into the review process and we will be unable to submit at the current deadline date of August 04. We aim to submit our COP within 75 days.

Yours sincerely,

Rasika Withanage,
Manager – Marketing, Sustainability and Corporate Communications
