

17.03.2007

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We had received our admission letter from the UN Global Compact Office in early April 2007 and informed all our stakeholders on our participation to the Compact after this date. Accordingly, we have been creating our COP report since late 2008 and our target date for sharing and posting it on the UN Global Compact website has been early April 2009, not March 15, 2009 as posted as our date of participation on the website.

We hereby would like to inform our stakeholders that our COP report will be posted on the UN Global Compact website by April 17, 2009 at the latest.

Sincerely yours,

Deniz Bayel Feyizoğlu
