Subject: Grace Letter request

To Whom It May Concern,

As CCI, since 22nd of October 2009, we are participant of UNGC and we have reported communication on progress in 2010 and 2011. This year, we extended the scope of our Corporate Social Responsibility Report in line with the GRI guidelines, received a partial external audit for the environmental data and the draft report is entering the final review in order to submit accurate information. Therefore, we kindly request an extension period of 90 days starting on COP due date; 30th of July 2012, so that we can deliver a complete report.

Sincerely yours,

Atilla Yerlikaya
