

## Communication on Progress: UNGC Principles, GRI Index, MDGs

With our integrated approach to Sustainable Development, we aim at embracing the [UN Global Compact \(UNGC\) principles](#) and at reporting in accordance with the [Global Reporting Initiative \(GRI\) Guidelines \(G3, 2006\)](#). The following table gives an overview of the actions implemented in 2007 to meet our UN Global Compact commitment and highlights our contributions to the [Millennium Development Goals \(MDG\)](#). Holcim remains firmly committed to the UN Global Compact and this commitment is reflected in the CEO Statement in the CSDR 2007 report and also on our website.
