Dear COP Team,

Request to Adjust the Submission Deadlines of Sime Darby's United Nations Global Compact (UNGC) Communications on Progress (COP) Report

We would like to request for adjustment of our COP submission deadlines from 2 February 2013 to 30 November 2013. This will allow us to align our COP with our annual sustainability reporting cycle.

For your information, we published our first sustainability report on the 22nd October 2012 and it is made available for the public at our website (www.simedarby.com). This report was based on calendar year (January to December, 2011).

Therefore, we would appreciate for the submission deadlines of our COP to be changed accordingly.

Thank you.

Sincerely yours,

.....
