COP – Grace Letter

To Whom It May Concern,

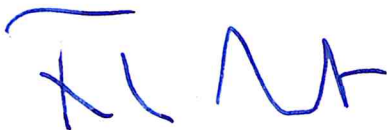

we hereby would like to plead for a grace period for our Communication on Progress (COP) in reference to our participation in the Global Compact.

This is due to extensive structural business diversification in the corporate communication department and – resulting out of this – to changes in our reporting cycles. Our COP report will be submitted on our behalf no later than March 7th, 2014.

We truly appreciate the consideration given to our request as

we greatly value our continued support to the UN Global Compact.

With best regards,

Dr. Fritz Audebert
CEO
