COP Team
London, 23 May 2014

COP Team,

I am writing to request an extension to the deadline for submission of Aviva's COP. This year we changed our approach to CR reporting and Our 2013 CR Report (Our Wider Impact Report) does not contain any more our COP. We are currently working on a separate COP submission for 2013. We will submit our COP to the UNGC shortly.

Regards,
