Dear Mr. Secretary-General,

We, Pranda Jewelry Public Company Limited has entered into commitments to support for the UN Global Compact since 14 October 2002. We were recently informed that our name had delisted from the registration due to the failure to submit the Communication on Process (COP) within due time. I am regret and deeply apologize for this incident resulting from our internal personnel's reassignment where we have fully addressed our management concerns on this issue to all responsible parties.

We would like to inform you further that we have kept on practicing the Ten Principles of the United Nations Global Compact by structurally integrating the principles into our corporate governance policy. Please note that our company has been recently awarded "Thailand Sustainability Investment 2017" by the Stock Exchange of Thailand (SET) upon successfully implementing these principles within our organization as per the attached file.

We are utmost grateful to confirm our commitment to principles as the statement below and please find our COP in 2017 for your consideration. Kindly reinstate our company name to the UN Global Compact registration list as you find our documentation in order.

Sincerely yours,

Mr. Prida Tiasuwan
Chairman
