Dear Mr. Secretary-General,

I am pleased to confirm that *Laxmi Wood Craft Udyog* supports the Ten Principles of the United Nations Global Compact on human rights, labor, environment and anti-corruption. With this communication, we express our intent to implement those principles. We are committed to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. *Laxmi Wood Craft Udyog* will make a clear statement of this commitment to our stakeholders and the general public. We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress within *one year* of joining the UN Global Compact, and *annually* thereafter according to the UN Global Compact COP policy. This includes:

A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is *separate* from our initial letter of commitment to join the UN Global Compact.

I would like to express of some few words here with why my company failure to submit the COP report then after. The first things are that my company is facing the main problem of the massive earthquake, mainly production unit depart as well as administrative blocks need to rebuild and maintenance. Meanwhile my mom was too much sick, that why I was involved her medication and treatment in aboard too, then after we are so much time busy to settle that old labor case which under prosecution at the supreme court since 15 years finally now we had solved and settlement all just last year. Due to all the circumstances we are unable to submit the COP report.

So please kindly accept our commitment letter and active our account for submitting our COP report of Laxmi wood craft Udyog.

Sincerely yours,

Mrs Laxmi sharma.
