Dear Mr. Secretary – General,

I am please to confirm that **Akma International LLC** supports the Ten Principles of the United Nations Global Compact on Human Rights, Environment and anti – corruption. With this communication, we express our intent to implement those principles. We are committed to making the UN Global Compact and its principles part of the strategy, culture and day -to day operations of our company and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. This includes:

- A description of practical actions (i.e. disclosure of any relevant policies, procedures, activities) that the company has taken (or plans to undertake) to implement UN Global Comact principles in each of the four issue areas (human rights, labour, environment, anti – corruption).
- A measurement of outcomes (i.e. the degree to which targets/ performance indicators were met or other qualitative or quantitative measurements of results).

Sincerely yours,
