Dear Mr Secretary-General

I am pleased to confirm that Wesfarmers Limited supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this letter, we express our intention to advance those principles within our sphere of influence and subject to the laws of the jurisdictions in which we operate.

We are committed to incorporating the Global Compact and its principles within our business strategy, culture and day-to-day company operations and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals.

Wesfarmers supports public accountability and transparency and in accordance with the requirements for participation in the Global Compact, we will clearly state our commitment to the Global Compact on our sustainability website, www.sustainability.wesfarmers.com.au, when it is updated in November 2015. This website will be updated every November and will include our annual Communication on Progress, to describe our efforts to implement the ten principles.

Yours sincerely
