New York, NY 10017
USA**

Dear Mr. Secretary General,

I am pleased to confirm that Kenya Healthcare Federation (KHF) supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

1. As a representative of businesses, KHF understands issues that are material to its members. Thus, well equipped to offer sector-specific advice and guidance on key sustainability issues, by developing tools and promoting best practices.
2. With KHF's convening power to bring together companies of all sizes in the Health Sector, we will help develop technical standards on corporate sustainability performance. This will allow effective benchmarking and data tracking on corporate practices.
3. As a trusted business voice, KHF will engage policymakers and other key stakeholders to advance various public policy issues and help strengthen key sustainability priorities such as anti-corruption and the rule of law.
4. KHF will engage with consumers and the public at large to raise awareness on the Health sector's contribution to society.
5. KHF will help mobilize the private sector in support of key development projects by brokering sector-specific partnership projects.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely yours,

**Dr. Anastasia Nyalita
Chief Executive Officer**
