***Subject: Letter on Commitment***

Your Excellency,

We have the honor to confirm that Uklon Ukraine LLC (the “Company”) supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. We hereby express our intent to implement these principles.

We are committed to making the United Nations Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals.

Uklon Ukraine LLC will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the United Nations Global Compact is the annual submission of a Communication on Progress (COP) that describes our company’s efforts to implement the Ten Principles.

We support public accountability and transparency, and therefore commit to report on progress within one year of joining the United Nations Global Compact, and annually thereafter according to the United Nations Global Compact COP policy. This includes:

- A statement signed by the Company’s director expressing continued support for the United Nations Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the United Nations Global Compact;
- A description of practical actions (i.e., disclosure of any relevant policies, procedures, activities) that the company has taken (or plans to undertake) to implement the United Nations Global Compact principles in each of the four issue areas (human rights, labour, environment, anti-corruption); and
- A measurement of outcomes (i.e., the degree to which targets/performance indicators were met, or other qualitative or quantitative measurements of results).

Sincerely yours,

Mr. Dmytro Dubrovskiy

Chief Executive Officer of Uklon Ukraine LLC
