Dear Mr Secretary-General,

I am pleased to confirm that WongPartnership LLP supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption.

We are committed to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our firm, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the sustainable development goals.

We recognise that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our firm's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the UN Global Compact, and annually thereafter according to the UN Global Compact COP policy.

Yours sincerely,

for and on behalf of WongPartnership LLP
