Dear Secretary-General

We at Trakref Inc, are excited to commit to supporting the 10 (Ten) principles of the Un Global Compact on Human Rights, labor, environment, and anti-corruption. This letter serves as our commitment to making the Un Global Compact and its principles part of the strategy, culture and day-today operations of our company and to investing our energy and resources to advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. Trakref Inc has been invested in this effort since our inception, and we have won the support of our shareholders, staff, and clients with a clear mandate to continue to pursue goals that are in alignment with the principles of the UN Global Compact.

We support public accountability and transparency and therefore commit to report on progress starting in 2023 and then annually thereafter according to the CoP Policy including:

- A statement signed by our Chief Executive expressing continued support of the UN Global Compact and renewing our ongoing commitment to the initiative and its principles.
- We have already completed the online questionnaire of the communication on progress which we will disclose our company's continuous efforts to integrate the Ten (10) principles into our Business Strategy., culture and daily operations and contribute to the United Nationals goals, particularly the Sustainable Development Goals.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ted Atwood'.
