Dear Secretary-General

One Glove Group Berhad | Malaysia

I am pleased to confirm that **One Glove Group Berhad** (“**One Glove**”) supports the *Ten Principles of United Nations Global Compact on human rights, labour, environment and anti-corruption*.

We hereby express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. **One Glove Group Berhad** will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company’s efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and *annually* thereafter according to the UN Global Compact CoP policy. This includes:

- a. a statement signed by our highest-level executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles (which we recognise is separate from this, our initial letter of commitment to join the UN Global Compact); and
- b. the completion of the online questionnaire (Communication on Progress) through which we will disclose our company’s continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to the United Nation goals, particularly the Sustainable Development Goals.

Yours faithfully
for and on behalf of
One Glove Group Berhad
