Dear Mr. Secretary General, I am pleased to confirm that Business Union of Entrepreneurs and Employers named after Prof. Kouniavsky supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s): (a) promoting best practices, (b) develop partnerships and initiatives in the sphere of sustainable development and corporate sustainability among our members, (c) encourage our members to join the UN Global Compact, (d) engage our members in collective action and partnership efforts on key UN goals and issues in collaboration with the UN Global Compact, (e) support the development and activities of a Global Compact Local Network.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Zhanna Tarasevich
Director of the Business Union of
Entrepreneurs and Employers named after Prof. Kouniavsky
