Dear Secretary-General,

I am pleased to confirm that Delclare Properties supports the Ten Principles of the United Nations Global Compact on human rights, labor, environment, and anti-corruption. With this communication, we express our commitment to making the UN Global Compact and its principles an integral part of the strategy, culture, and day-to-day operations of our company, and to engaging in collaborative projects that advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. Delclare Properties will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency and, therefore, commit to reporting on progress starting the calendar year after joining the UN Global Compact and annually thereafter, following the UN Global Compact CoP policy. This includes:

- A statement signed by the Chief Executive, Levis Kinyanjui Njau, expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- The completion of the online questionnaire for the Communication on Progress, through which we will disclose Delclare Properties' continuous efforts to integrate the Ten Principles into our business strategy, culture, and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

Sincerely yours,

Levis Kinyanjui Njau  
CEO, Delclare Properties
