Dear Secretary-General,

I am pleased to confirm that ***Shilpa Pharma Lifesciences Limited*** supports the Ten Principles of the United Nations Global Compact (UNGC Principles) on human rights, labour, environment, and anti-corruption. With this communication, we express our commitment to making the UNGC Principles part of the strategy, daily operations & culture of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations (UN), particularly the Sustainable Development Goals (SDGs). ***Shilpa Pharma Lifesciences Limited*** will make a clear statement of this commitment to its stakeholders and the public in general.

We recognize that a key requirement for participation in the UNGC is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the UNGC Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UNGC, and *annually* thereafter according to the UNGC CoP Policy. This includes:

- A statement signed by the Chief Executive expressing continued support for the UNGC and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UNGC.

The completion of the online questionnaire of the CoP through which we will disclose our company's continual efforts to integrate the UNGC Principles into our business strategy, daily operations & culture and contribute to UN Goals, particularly the SDGs.

Sincerely yours,

**Vishnukant Bhutada
Managing Director**
