Dear Secretary-General,

I am pleased to confirm that Trane Technologies supports the Ten Principles of the United Nations Global Compact on human rights, labor, environment, and anti-corruption. With this communication, we express our commitment and belief that the UN Global Compact and its principles are part of the strategy, culture, and day-to-day operations of our company, as we engage in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals.

Trane Technologies will make a clear statement of this commitment to our stakeholders and the general public. We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy.

Sincerely yours,

David S. Regnery
