Dear Secretary-General,

I am pleased to confirm that MRANTI Corporation Sdn. Bhd. (MRANTI) supports the Ten Principles of the United Nations (UN) Global Compact on human rights, labour, environment and anti-corruption.

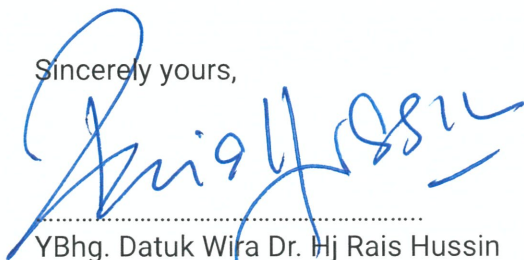

With this communication, we express our commitment in making the UN Global Compact and its principles part of MRANTI's strategy, culture and day-to-day operations and to engage in collaborative projects aimed to advance the development goals of the UN, particularly the Sustainable Development Goals.

We recognise that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. MRANTI will make a clear statement of this commitment to our stakeholders and the general public.

We support public accountability and transparency, and therefore commit to report on MRANTI 's progress starting the calendar year after joining the UN Global Compact, and *annually* thereafter according to the UN Global Compact CoP policy. This includes:

- A statement signed by the Chief Executive Officer expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact
- The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to the UN Sustainable Development Goals.

Sincerely yours,

YBhg. Datuk Wira Dr. Hj Rais Hussin
Chief Executive Officer
MRANTI Corporation Sdn. Bhd.
