Dear Secretary-General,

I am pleased to confirm that Contemporary Education and Technology supports the Ten Principles of the United Nations Global Compact on human rights, labor, environment, and anti-corruption. With this communication, we express our commitment to integrating the UN Global Compact and its principles into the strategy, culture, and day-to-day operations of our company. Additionally, we are dedicated to engaging in collaborative projects that advance the broader development goals of the United Nations, particularly the Sustainable Development Goals, through The Mimir, our innovative language learning platform, and its Language Ambassadors for Global Engagement (LAGE) program. The LAGE program, focusing on foreign language proficiency and cultural ambassadorship, aligns closely with the United Nations' objectives for global engagement and personal development. At Contemporary Education and Technology Inc., we will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy.

This commitment includes:

- A statement signed by myself, expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- The completion of the online questionnaire of the Communication on Progress through which we will disclose The Mimir's continuous efforts to integrate the Ten Principles into our business strategy, culture, and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals, through programs like Language Ambassadors for Global Engagement (LAGE) program.

Sincerely yours,
