Dear Secretary-General,

I am pleased to confirm that Bag & Pack supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption.

With this communication, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. Bag & Pack will make a clear statement of this commitment to our stakeholders and the general public. Bag & Pack will make a clear statement of this commitment to our stakeholders and the general public.

We also agree that one of the obligations that condition our participation in the UN Global Compact is the annual publication of a Communication on Progress (CoP), describing our company's efforts in implementing the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact CoP policy.

This includes:

- A statement signed by the company's top executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles.
- The annual publication of our CoP, through the dedicated online questionnaire, by which we will present our company's ongoing efforts to integrate the Ten Principles into our strategy, culture and daily operations, and contribute to the goals of the United Nations, in particular the Sustainable Development Goals.

Sincerely yours,

Justine Dubois,
