Dear Secretary-General Guterres,

I am pleased to confirm that Lynkeus supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment, and anti-corruption. With this communication, we express our steadfast commitment to making the UN Global Compact and its principles a fundamental part of the strategy, culture, and day-to-day operations of Lynkeus. We are dedicated to engaging in collaborative projects that advance the broader development goals of the United Nations, particularly the Sustainable Development Goals (SDGs).

Lynkeus will make a clear statement of this commitment to our stakeholders and the general public, emphasizing our dedication to these vital global principles.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to the following:

- **Continued Support for the UN Global Compact:** A statement signed by myself, the chief executive, expressing renewed support for the UN Global Compact and our ongoing commitment to the initiative and its principles. This reaffirmation is separate from our initial letter of commitment to join the UN Global Compact.
- **Completion of the Online Questionnaire for the Communication on Progress:** Through this, Lynkeus will disclose our continuous efforts to integrate the Ten Principles into our business strategy, culture, and daily operations. We are committed to contributing actively to United Nations goals, especially the Sustainable Development Goals.

We believe that our engagement with the UN Global Compact will not only enhance our corporate responsibility efforts but also align our operational and strategic objectives with global priorities. At Lynkeus, we understand the significance of these principles in driving sustainable and ethical business practices, and we are committed to upholding them in every aspect of our work.

Thank you for the opportunity to be a part of this critical initiative. We look forward to a fruitful collaboration and to making a meaningful contribution towards achieving a sustainable and equitable future.

Sincerely yours,

Tanvir Tabassum
