

H.E. Antonio Guterres
UN Secretary-General
New York, NY 10017 – USA

Wuhan, January 10th, 2024.

Dear Mr Secretary-General,

Abalone Technology Group Co, Ltd manufacture and sales fiber optical cables, components and accessories for Telecom and Data centre markets all other the world, mainly with OEM and ODM way of commercialisation.

I am pleased to confirm that Abalone Optical group Co., Ltd supports the 10 principles of UNGC on Human right, Labor, environment, and anti-corruptions.

With this commitment, we express our intent to communicate our way of working and make clear this statement to all our suppliers, customers, employees, shareholders and other parties and public.

Proud to be one of the firsts Chinese companies to follow the UNGC in our sector, we are engaging in a real effort and effective collaborative project to develop and push these 10 principles as much as possible.

We also pledge to take part in the activities of the UN Global compact where appropriate and feasible. We noted that we need to provide every year a Communication of progress (COP) that describes our company's efforts to implement the 10 principles.

Sincerely yours,
