Attention: Secretary General

Dear Sir

I am pleased to confirm that Stellar Education Sdn. Bhd. supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public. We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- Engaging in Collective Action on Anti-Corruption and implement anti-corruption compliance programmes
- Developing more ambitious business strategies and goals to advance the SDGs
- Setting targets and corresponding policies and programmes to increase women's representation and leadership
- Implementing UN Global Compact labour principles within all aspects of business operations to provide and promote decent work for all workers across the company's supply chains

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,
