Dear Secretary-General Guterres,

We, Leclanché SA, hereby express our unwavering commitment to the United Nations Global Compact and its fundamental principles, as well as our dedication to taking action in support of the Sustainable Development Goals (SDGs).

As a responsible corporate citizen, we understand the imperative of aligning our operations and strategies with universal principles on human rights, labor, environment, and anti-corruption. Therefore, we wholeheartedly endorse the Ten Principles of the UN Global Compact and pledge to integrate them into our corporate culture, business practices, and supply chain management.

Furthermore, we are firmly committed to actively contributing to the achievement of the Sustainable Development Goals. We recognize the interconnectedness of economic, social, and environmental challenges facing our world today, and we are committed to leveraging our resources, expertise, and influence to drive positive change and sustainable development outcomes.

In line with our commitment to transparency and accountability, we hereby commit to submitting our annual Communication on Progress (COP) report. This report will include a signed statement by our Chief Executive Officer reaffirming our support for the UN Global Compact, as well as the completion of the online questionnaire detailing our progress, challenges, and initiatives in advancing the Global Compact principles and supporting the SDGs.

We believe that by participating in the UN Global Compact and fulfilling our obligations under the COP, we can contribute to building a more just, inclusive, and sustainable world for current and future generations.

Yours sincerely,
