United Nation Global Compact:

Due to staffing changes the deadline for delivery of our 2015 Communication of Progress (COP) was not identified until today (our due date). We are committed to both continuous improvement and communication of our efforts to all of our global stakeholders.

We ask for an extension period in order to finalize a few remaining items needed for our 2015 COP submission. Our new COP report will be posted to the UN Global Compact website no later than March 7th, 2016.

In the meantime stakeholders are encouraged to review our 2015 CSR report (released November 18th, 2015 and available here: http://www.cisco.com/assets/csr/pdf/CSR_Report_2015.pdf) which highlights our CSR priorities and progress against objectives.

Thank you for your understanding,
