**UN Global Compact – Communication on Progress – Cycle Adjustment**

To whom it may concern,

We would like to request a cycle adjustment to send our Communication on Progress with the UN Global Compact, to better align with the new reporting cycle for Coca-Cola European Partners. We will be publishing our first Sustainability Report in June 2017, and would aim to publish our Communication on Progress by the end of July 2017.

If you have any questions, please don't hesitate to contact me.

Thank you,  
Megan A. Mitrevski Dale
