Subject: Grace Letter request

To Whom It May Concern,

As a signatory to the UNGC since 22 October 2009, Coca-Cola İçecek reported seven Communication on Progress reports (CCI's sustainability reports) between 2010 and 2016.

This year, we will issue our report in line with GRI's new standards. Our report is currently in the design phase. Therefore, we kindly request an extension period of 60 days from the COP due date of 5 October 2017 so that we may deliver a thoroughly comprehensive report.

Sincerely yours,

Atilla Yerlikaya
