Dear Mr. Secretary General

I am pleased to confirm that Olam International reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

We have Communicated our Progress through our FY16 Annual Report and accompanying Global Reporting Initiative (GRI) report. In these documents we describe our actions to continually improve the integration of the Global Compact principles into our business strategy, culture and daily operations. This includes measurable goals and targets. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Our next Communication on Progress will be submitted by June 2018.
