23rd of January, 2018, To all our stakeholders

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Engagement (COE) that comprises of a statement of continued support for the Global Compact, a description of practical actions that our company has taken since our last COP, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to the fact that ecological and social indicators of 2017 have not been evaluated.

We hereby ask for an extension period in order to be able to submit a COE that describes our company's efforts and progress to implement the ten principles of the Global Compact. Our new COE report will be posted on the Global Compact website by 29th of April 2018 at the latest.

Sincerely,

Daniela Gramer
