

4<sup>th</sup> September,2018

We recognize that a key requirement for participating in the UN global Compact is the annual preparation and posting of a communication on progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UNGC and measurement of the outcomes or expected outcomes.

We are late in sharing our COP report due to some changes at the company. We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP will be posted on the UN Global Compact website by the 4<sup>th</sup> of December,2018 at the latest.

Sincerely Yours,

Associate Director- External Communications
