To Cisco stakeholders:

A key requirement for participation in the UN Global Compact is the annual posting of a Communication on Progress (COP) that comprises of our CEO's statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and our goals and outcomes.

This year, our annual Corporate Social Responsibility Report, which contains each element of the required COP, is scheduled for release a few days after this year's UNGC deadline of December 11. Our CSR report release date coincides with Cisco's annual shareholder meeting. Therefore, we have requested from UNGC for an extension until Jan 15, 2019. We fully expect to complete our submittal in mid-December.
