Re: Request for COP extension

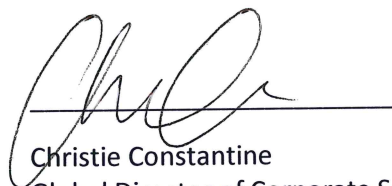

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are currently in the final stages of completing our Firm's first materiality assessment and SDG mapping exercise. We hereby request an extension period in order to be able to include its findings and the refreshed CSR strategy it has guided. Our new COP report will be posted on the UN Global Compact website by 11.04.19 at the latest.

Many thanks for your consideration.

Sincerely,

Christie Constantine
Global Director of Corporate Social Responsibility
