

BEST PRACTICES – 2019

Today, Groupe SEB is the world leader in Small Household Equipment, with more than 34,000 employees spanning 50 countries.

The Group's growth and success draws on the sound corporate values deeply rooted in our history. The principles of the Global Compact, to which we subscribed in 2003, are in tune with our commitment to responsible corporate values.

I would like to renew my commitment to the 10 principles of the Global Compact and illustrate their application to our actions through these best practice codes.
