

Grace Letter to the UN Global Compact

Our Communication on Progress 2018/2019 (deadline: September 30, 2019)

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating our COP report 2018/2019 due to a sudden change in our management. Our CEO recently resigned, and the new one will be elected in 2020.

We hereby ask for a six-months extension period till March 31, 2020 in order to be able to publish a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Sincerely yours,

Per Breuer
