Which of the following Sustainable Development Goals (SDGs) do the activities described in your COP address? [Select all that apply]
SDG 17: Strengthen the means of implementation and revitalize the global partnership for sustainable development
SDG 16: Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels
SDG 15: Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss
SDG 14: Conserve and sustainably use the oceans, seas and marine resources for sustainable development
SDG 13: Take urgent action to combat climate change and its impacts
SDG 12: Ensure sustainable consumption and production patterns
SDG 11: Make cities and human settlements inclusive, safe, resilient and sustainable
SDG 10: Reduce inequality within and among countries
SDG 9: Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation
SDG 8: Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all
SDG 7: Ensure access to affordable, reliable, sustainable and modern energy for all
SDG 6: Ensure availability and sustainable management of water and sanitation for all
SDG 5: Achieve gender equality and empower all women and girls
SDG 4: Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all
SDG 3: Ensure healthy lives and promote well-being for all at all ages
SDG 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture
SDG 1: End poverty in all its forms everywhere
With respect to your company's actions to advance the Sustainable Development Goals (SDGs), the COP describes: [Select all that apply]
Opportunities and responsibilities that one or more SDGs represent to our business 0
✓ Where the company's priorities lie with respect to one or more SDGs
☑ Goals and indicators set by our company with respect to one or more SDGs <b>①</b>
✓ How one or more SDGs are integrated into the company's business model
☑ The (expected) outcomes and impact of your company's activities related to the SDGs
☑ If the companies' activities related to the SDGs are undertaken in collaboration with other stakeholders <b>①</b>
☑ Other established or emerging best practices <b>①</b>
Published SDGs Index along with the 2020 Sustainability Report suite. Highlighted initiatives demonstrating the advancement of the SDGs in report and microsite. Performed second Salient Assessment to identify HR critical issues. (Sustainability.ford.com)

### **Robust Labour Management Policies & Procedures**

For the following criterion, please check the best practices you have implemented and discussed in your COP.

#### Criterion 6: The COP describes robust commitments, strategies or policies in the area of labour

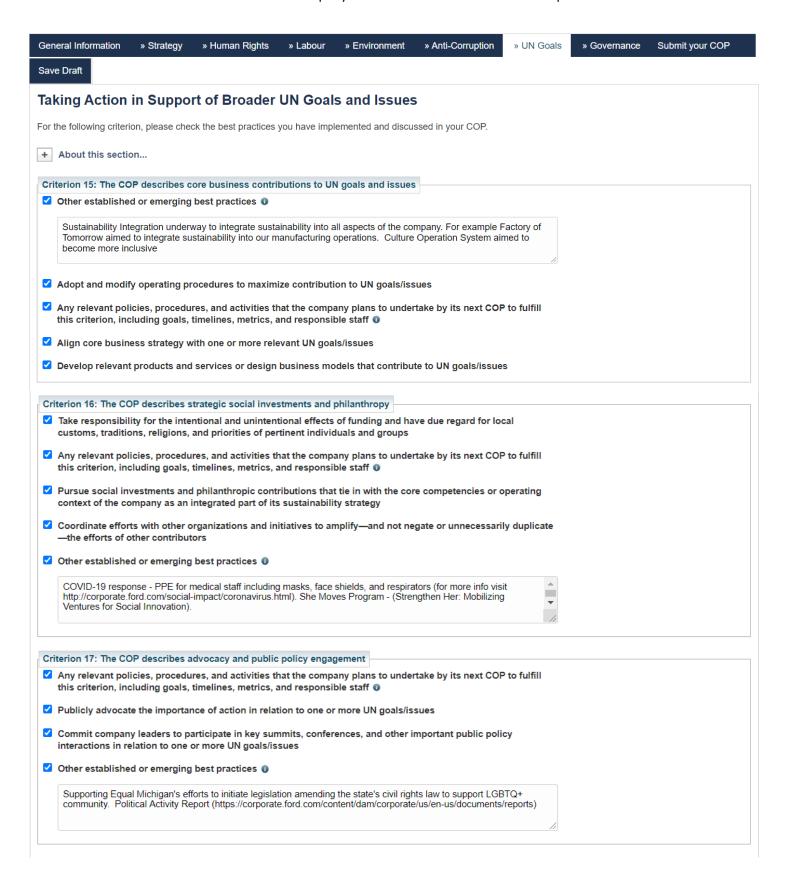

- Any relevant policies, procedures, and activities that the company plans to undertake by its next COP to fulfill this criterion, including goals, timelines, metrics, and responsible staff
- Reference to principles of relevant international labour standards (ILO Conventions) and other normative international instruments in company policies
- Reflection on the relevance of the labour principles for the company
- Written company policy to obey national labour law, respect principles of relevant international labour standards in worldwide company operations and engage in dialogue with representative organization of the workers (international, sectoral, national).
- Inclusion of reference to the principles contained in the relevant international labour standards in contracts with suppliers and other relevant business partners
- Specific commitments and Human Resources policies, in line with national development priorities or decent work priorities in the country of operation
- Participation and leadership by employers' organizations (international and national) to jointly address challenges related to labour standards in the countries of operation, possibly in a tripartite approach (business – trade union – government).
- Structural engagement with a global union, possibly via a Global Framework Agreement
- Other established or emerging best practices •

UN WEP, Re-entry Program for individuals who have taken a career break for at least 2 years. Ford Works for disable employees and one of 11 ERGs. Global Information Sharing Forum with Union and Ford leaders & International Framework Agreement.

Criterion 7: The COP describes effective management systems to integrate the labour principles							
Any relevant policies, procedures, and activities that the company plans to undertake by its next COP to fulfill this criterion, including goals, timelines, metrics, and responsible staff •							
Risk and impact assessments in the area of labour							
Dialogue mechanism with trade unions to regularly discuss and review company progress in addressing labour standards							
☑ Allocation of responsibilities and accountability within the organization							
✓ Internal awareness-raising and training on the labour principles for management and employees							
✓ Active engagement with suppliers to address labour-related challenges							
☑ Grievance mechanisms, communication channels and other procedures (e.g., whistleblower mechanisms) available for workers to report concerns, make suggestions or seek advice, designed and operated in line with the representative organization of workers							
☐ Other established or emerging best practices <b>①</b>							
Criterion 8: The COP describes effective monitoring and evaluation mechanisms of labour principles integration							
Any relevant policies, procedures, and activities that the company plans to undertake by its next COP to fulfill this criterion, including goals, timelines, metrics, and responsible staff							
System to track and measure performance based on standardized performance metrics							
☑ Dialogues with the representative organization of workers to regularly review progress made and jointly identify priorities for the future							
Audits or other steps to monitor and improve the working conditions of companies in the supply chain, in line with principles of international labour standards							
✓ Process to positively engage with the suppliers to address the challenges (i.e., partnership approach instead of corrective approach) through schemes to improve workplace practices							
corrective approach) through schemes to improve workplace practices							
corrective approach) through schemes to improve workplace practices  Other established or emerging best practices
