

CTA DS- 669/2021

Rio de Janeiro, march 02<sup>nd</sup> 2021.

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and measurement of outcomes or expected outcomes.

According to the Global Compact deadline defined during the pandemic and health crisis, our due date for submitting the COP is March 27th.

However, we are elaborating our Annual Report 2020, including, among the material issues for our stakeholders, the reinforcement of our CEO to the UN Global Compact commitment, and our progress to the SDGs' achievements and the guiding principles.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by June 25th at the latest.

We look forward to hearing from you.

Kind regards,

**Luiz Augusto P. A. Figueira**

Director of Corporate Management and Sustainability
