Subject: **Grace Period Request**

Dear UNGC,

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

Our report is due on 27th August 2021 for this cycle. We have slightly adjusted our release date to the market for our annual sustainability plan with the intent to publish on the 6th September 2021. As such we request a standard 90 grace period to align with our new reporting timeframe.

Yours sincerely,

Matthew Kenyon
