

Juhayna's Chairman letter to the UNGC

2nd of November, 2021

To our stakeholders,

On behalf of Juhayna Food Industries, I would like to express the company's elation and pride to be one of the key players of the United Nations Global Compact (UNGC), which aims at accelerating and scaling the impact of the private sector to drive progress towards the Sustainable Development Goals (SDGs) across the world.

This letter is to confirm our continued and unwavering support, for this auspicious compact, through renewing our ongoing commitment to its principles pertinent to human rights, labor, environment, and anti-corruption.

Additionally, stemming from our belief that UNGC encourages businesses worldwide to adopt policies that achieve a myriad of societal goals, we would like to substantiate Juhayna's steadfast stance of being a socially responsible and sustainable investor in the Egyptian and Arab markets - previously shown in our submitted annual Sustainability Report.

Lastly, we would like to accentuate the fact that we will remain committed to integrating the UNGC's principles into our strategy, culture, and everyday operations, as well as keep on partaking in collaborative projects that advance and uphold the broader UN's SDGs. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely Yours,

Mohamed Aldoghaim

Chairman of the Board of Directors
