Subject: UN Global Compact,
Communication on Progress - Grace Period

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are planning to incorporate all information relevant to COP report into Sber Annual Report 2021. Data collection process is in progress and managed properly according to relevant international and corporate standards.

We hereby ask for an extension period in order to be able to post a COP as part of Sber Annual Report 2021 describing our company's efforts and progress to implement the principles of the UN Global Compact. Our new Annual Report 2021 including COP will be posted on the UN Global Compact website by April 8th 2022 at the latest.

Sincerely yours,

Senior Vice President for ESG
